Bermuda Series

Single

These elegant indoor bins combine functionality and flexibility to create exceptional recycling and waste containers.

The Bermuda Series bins are designed especially for terminals, retail facilities, hotels and other indoor environments. Material and color can be customized to fit the surroundings. Clearly marked openings guide the user to recycle different waste fractions into the right compartments of the bin.

Features:

- Attractive design
- Equipped with triangle lock, hinged lid and pivoted bag frame
- Self-extinguishing bin - the shape of the lid directs the combustion gases, cuts off the oxygen supply and extinguishes the fire
