

If you are looking for attractive recycling bins for your boardroom, offices, hallways, lunchrooms or lobbies then consider recycling bins made from fiberglass. You can order them with 2, 3 or 4 openings. With a depth of only 15.25" they are less bulky than other recycle bins. Add your corporate logo or recycling message for a really smart looking recycling container.

Features

- Attractive recycling bins for your boardroom, offices, hallways, lunchrooms or lobbies
- Rigid liners - back up system in case the bag break & acts as a barrier inside
- Customizable labels, openings & logos

Stock Colors
