Your CUSTOM Recycling Solution without the Custom Price!!

Waste Wise Products Inc. is proud to introduce the Kaleidoscope Collection™ of Recycling Receptacles. Just like a real Kaleidoscope, these recyclers offer consumers the ability to establish their Recycling Centers in a varying selection of colours and patterns to meet their needs. As the facility needs change, so too can the Kaleidoscope Collection™ with the addition of units that fit snugly together or up against corners or walls.

Versatility has never been so easy, affordable or stylish!

- ADA Compliant and constructed of fire-safe steel
- Each complete unit includes:
 - Easy to remove steel top finished in Silver Star EXL-Coat™ powder-coat with a removable finger-print proof Black Texture EXL-Coat™ finished insert.
 - Insert openings are dedicated to desired waste stream; 4 1/2" circle for Bottles/Cans & Plastic, 2" Paper Slot and an 8" square or half moon Trash opening.
 - Easy to read, pre-applied WHITE decals on 2 sides of the units to indicate waste stream
 - Rigid plastic liners with ample 24-gallon capacity on the square units and 8-gallon capacity on the half-round
 - Four heavy-duty feet keep the units slightly elevated to allow for air circulation and help restrict mold and mildew growth and unsightly discoloration of floor surfaces from "mop around" ring
- Optional Kits available for square Kaleidoscope units: RC-PLTR-KIT - 9" Planter with Bezel, RC-ASH-KIT - Ash Insert
